Re: U.S. Patent Application No. 10/550,390  
Inventor: Jonathan Paul FUGE  
Our Ref.: 125427

Dear Mr. Darrell Cottman,

Further to our September 26 facsimile, we now realize that we mis-identified the application serial number on our facsimile cover sheet as 10/550,350. The correct application serial number should have been 10/550,390.

As you requested, we will send this letter by facsimile to numbers (571) 270-9815, (703) 305-3230 and (703) 308-3230. We regret the inconvenience our oversight has caused. Please feel free to contact us if you have any further questions or requests regarding this matter.

Very truly yours,

James A. Oliff
